Who we are:

We are a community of currently 15 adults and 5 children that live together in the „Maibacher Schweiz“ and we run our Seminar centre together.

Where is the venue?

Our house is located in the hilly region of the „Taunus“ about 40 km north of Frankfurt am Main. The former country side guest house is located in a very quiet and picturesque village called Maibach. The surrounding forests and the natural monument „Eschbacher Klippen“ are charming for long walks.

...and please remember: we are more than just a seminar centre - most importantly we are a community with many processes of growing and learning.

We are people that want to discover, try out and walk new ways of living and being. One part of our community life is the seminar centre: unique, caring and with love.

Stay with us and you will discover more.
